

Figure 1

**Correlation between % Fat Mass and
Intestinal Contents Viscosity**

Figure 2

**Correlation Between Intestinal Contents
Supernatant Viscosity and Plasma Leptin Concentration**

Figure 3

**CORRELATION BETWEEN
INTESTINE VISCOSITY
AND PLASMA LEPTIN CONCENTRATION
corrected by body weight**

Figure 4

**CORRELATION BETWEEN
PLASMA LEPTIN CONCENTRATION AND
% FAT PADS IN BODY WEIGHT**

PLASMA LEPTIN

With and without correction for body weight

RETROPERITONEAL FAT PAD WEIGHT

Figure 1: Retroperitoneal

**CORRELATION BETWEEN EPIDIDYMAL FAT PAD WEIGHT
AND PLASMA LEPTIN CONCENTRATION**
corrected for body weight

**CORRELATION BETWEEN
INTESTINE VISCOSITY
AND PLASMA LEPTIN CONCENTRATION
corrected by body weight**
